

Dear Community Businesses,

As an important and appreciated member in the community, we would like to introduce ourselves and inform you of the community outreach that **F**amily **J**oint **V**enture **FOUNDATION** is preparing for.

Our mission is to support senior citizens, children and families in the community during economic hardships and continue work towards a greater good. Most importantly, we continuously work to improve the quality of life of low-income and disadvantaged individuals and families.

We are committed to serving our community and providing programs designed to help individuals less fortunate. Children in the underprivileged neighborhoods of our city do not always see a future bright with options. Their scope can be limited to what they see immediately around them.

We are pleased to participate in the 2012 Summer Food Services Program and will provide the youth in our community with healthy-nutritional meals. Our Program is absolutely **FREE** to the youth residents up to 18 years old. We will provide excellent staff to serve breakfast and lunch daily. Our GOAL is to feed 600 children healthy and nutritional meals daily. That's over 1,200 meals per day and over 72,000 meals during the entire summer break.

As you are probably aware, the preparation is a great undertaking so we would like to extend our news to community businesses to find those willing to help support this project.

We see the efforts of our non-profit organization as a benefit to the entire community. By expanding our reach, we are offering even more resources to those in the community. We believe that investing in this project is to invest in the well-being of the community and beyond.

We would like to remind you that all gifts are tax-deductible under the IRS 501(c)3 tax code, and we are gladly accepting checks to make donating easy and convenient. Please make checks payable to **FJV FOUNDATION** and mail to the address below. If you have any questions or concerns about this project, please let us know! Feel free to call or email us at info@fjvfoundation.com. We would be glad to share more about our plans with you!

Thank you for your time and consideration in this endeavor!

Tonia Granger
